## 1 VELVET CLEANING BRUSH

Safely removes dust and dirt from LP surface.

## 2 STYLUS CLEANING BRUSH

Designed to clean your stylus as well as hard to reach places.

## 3 MICRO FIBRE CLOTH

30 x 30 cm, Super fine, super soft, use with the cleaning solution for a deeper clean to remove more deep seated dust.

## 4 VINYL WET CLEANING WIPES

These tissues efficiently clean any vinyl surface. They are anti-static, alcohol and ammonia free.

## 5 VINYL CLEANING SOLUTION

With a spray nozzle for accuracy, use with micro fibre cloth to get a deeper clean for the perfect finishing touch.

VB07

# VINYL LP VELVET CLEANING BRUSH

*Removes dust from deep inside the grooves for improved audio quality.*

As you slide the brush over your LP records the velvet discharges the static and releases dust from deep inside the grooves, leaving you with clean records and improved audio quality.
